

REACH SVHC COMPLIANCE

(Registration, Evaluation, Authorization and Restriction of Chemicals)

Model No: LM238WR2-SPE1

This certification covers all materials included in the above listed articles including the general classifications of plastics, rubber, metal, coatings, platings and adhesives. The above listed Articles do not intentionally release any substances as defined in the REACH regulation. Under the REACH regulation, the European Chemicals Agency ("ECHA") issued a 247 Candidate List of Substances of Very High Concern (SVHC) effective Jan. 21, 2025.

Based on the information available to us from our raw materials suppliers, below articles in the product referred to above by part number comply with the REACH Directive and had the SVHC content exceed 0.1 wt% of the article weight. When SVHC list updated by ECHA in the future, LG Display will issue another certification that will reflect the updated SVHC list.
